## **Schedule**

### **Day List Information**

#### **General**

1. The title number in respect of which the application for day list information was made.

#### **Information as to pending applications**

2. Where there is an entry on the day list in respect of a pending application, the entry will indicate whether, at the time the entry was made, the application was:
  - for first registration of the estate which has been allotted the title number (a “First Registration Application”);
  - for registration of a transfer of part of the estate in the registered title (a “Transfer of Part”);
  - for registration of a lease of all or part of the estate in the registered title to which section 27(2)(b) of the Land Registration Act 2002 applies (a “Dispositional First Lease”);
  - an outline application under rule 54 of the Land Registration Rules 2003 (an “OLA”); or
  - none of above, such as an application for the entry of a notice in the register or an objection to a pending application (a “Dealing”).
3. Where two or more applications were delivered together, only one entry will be made. For example, the following applications are often delivered at the same time – discharge a registered charge, register a transfer and register a legal charge – and are covered by a single entry (“Dealing”).

  - (b) If recorded on the day list, the name of the applicants.
  - (c) If recorded on the day list, the name, address and reference of the person who lodged the application or, if it is a proposal by the registrar to alter the register which is being treated as an application, the name of the relevant Land Registry office.
  - (d) If recorded on the day list, and entry is in respect of a Transfer of Part or Dispositional First Lease, a short description of the estate said by the applicant to be affected by the application.

#### **Information as to official searches**

5. Where there is an entry on the day list in respect of an application for an official search, the entry will indicate whether the application is:

- for a search of the *whole* of the estate in the registered title or estate which is the subject of a pending application for first registration under the allotted title number; or
  - for a search of *part* of the estate in the registered title or estate which is the subject of a pending application for first registration under the allotted title number.

  - (c) The number allocated by the registrar to the official certificate of search.
